

Oak Hill

Cemetery

For the protection of our Oak Hill Family and our contractors, we will close the Mausoleum beginning Monday, June 22 at 8am. It will remain closed for 2 weeks as we work to complete the renovation process.

During the renovation, we will remove vases and flowers from the crypts. Once taken down, we will label each vase and store them until the renovation is completed. The vases will then be put back up in the proper place.

We hope each of you will work with us during this time and please excuse our mess.
